

1. What a Wonderful World

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself what a wonderful world

I see skies of blue and clouds of white
The bright blessed day, the dark sacred night
And I think to myself what a wonderful world

The colors of the rainbow so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands, saying how do you do
They're really saying, I love you

I hear babies cry, I watch them grow
They'll learn much more than I'll ever know
And I think to myself what a wonderful world
Yes, I think to myself what a wonderful world
Ooh, yes

2. I Can't Help Falling in Love With You

Wise man say
only fools rush in.
But I can't help
falling in love with you.

Shall I stay?
Would it be a sin?
If I can't help
falling in love with you.

Like a river flows,
surely to the sea;
darling so it goes,
some things are meant to be.

Take my hand;
take my whole life, too.
For I can't help,
falling in love with you.

Like a river flows,
surely to the sea;
darling so it goes,
some things are meant to be.
Take my hand;
take my whole life, too.
For I can't help,
falling in love with you.

Yes I can't help
falling in love with you.

3. You've Got A Friend

When you're down and troubled
And you need some love and care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

You just call out my name
And you know wherever I am
I'll come running, to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend

If the sky above you
Grows dark and full of clouds
And that old north wind begins to blow

Keep your head together
And call my name out loud
Soon you'll hear me knocking at your door

You just call out my name
And you know wherever I am
I'll come running, running, yeah, yeah, to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes, I will

Now, ain't it good to know that you've got a friend
When people can be so cold?
They'll hurt you, yes, and desert you
And take your soul if you let them, oh, but don't you let them

You just call out my name
And you know wherever I am
I'll come running, running, yeah, yeah, to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes, I will
You've got a friend

4. For The Longest Time

Oh, oh, oh
For the longest time
Oh, oh, oh
For the longest time
If you said goodbye to me tonight
There would still be music left to write
What else could I do
I'm so inspired by you
That hasn't happened for the longest time

Once I thought my innocence was gone
Now I know that happiness goes on
That's where you found me
When you put your arms around me
I haven't been there for the longest time

Oh, oh, oh
For the longest time
Oh, oh, oh
For the longest
I'm that voice you're hearing in the hall
And the greatest miracle of all
Is how I need you
And how you needed me too
That hasn't happened for the longest time

Maybe this won't last very long
But you feel so right
And I could be wrong
Maybe I've been hoping too hard
But I've gone this far
And it's more than I hoped for

Who knows how much further we'll go on
Maybe I'll be sorry when you're gone
I'll take my chances
I forgot how nice romance is
I haven't been there for the longest time

I had second thoughts at the start
I said to myself
Hold on to your heart
Now I know the woman that you are
You're wonderful so far
And it's more than I hoped for

I don't care what consequence it brings
I have been a fool for lesser things
I want you so bad
I think you ought to know that
I intend to hold you for the longest time

5. I Get By With a Little Help from my Friends

What would you think if I sang out of tune,
Would you stand up and walk out on me.
Lend me your ears and I'll sing you a song,
And I'll try not to sing out of key.

I get by with a little help from my friends,
I get high with a little help from my friends,
Going to try with a little help from my friends.

What do I do when my love is away.
(Does it worry you to be alone)
How do I feel by the end of the day
(Are you sad because you're on your own)

No I get by with a little help from my friends,
Do you need anybody,
I need somebody to love.
Could it be anybody
I want somebody to love.

Would you believe in a love at first sight,
Yes I'm certain that it happens all the time.
What do you see when you turn out the light,
I can't tell you, but I know it's mine.

Oh I get by with a little help from my friends,
Do you need anybody,
I just need somebody to love,
Could it be anybody,

I want somebody to love.

I get by with a little help from my friends,
Yes I get by with a little help from my friends,
With a little help from my friends.

6. All My Loving

Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home every day
And I'll send all my lovin' to you

I'll pretend that I'm kissing
The lips I am missing
And hope that my dreams will come true
And then while I'm away
I'll write home every day
And I'll send all my lovin' to you

All my lovin', I will send to you
All my lovin', darlin', I'll be true

Close your eyes and I'll kiss you
Tomorrow I'll miss you
Remember I'll always be true
And then while I'm away
I'll write home every day
And I'll send all my loving to you

All my lovin', I will send to you
All my lovin', darlin', I'll be true
All my lovin', all my lovin'
Ooh ooh, all my lovin', I will send to you

7. Bridge Over Troubled Water

When you're weary, feeling small
When tears are in your eyes, I will dry them all, all
I'm on your side, oh, when times get rough
And friends just can't be found
Like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down

When you're down and out
When you're on the street
When evening falls so hard
I will comfort you
I'll take your part, oh, when darkness comes
And pain is all around
Like a bridge over troubled water
I will lay me down
Like a bridge over troubled water
I will lay me down

Sail on silver girl
Sail on by
Your time has come to shine
All your dreams are on their way
See how they shine
Oh, if you need a friend
I'm sailing right behind
Like a bridge over troubled water
I will ease your mind
Like a bridge over troubled water
I will ease your mind
